("Provider")

What they regulate: Rights and obligations of the Provider and of the Customer related to the provision of services as defined in Art. of these GT&Cs ("Services");

Whom they concern: Natural and legal persons to whom the Provider provides any of the Services, as well as persons who negotiate with the Provider regarding the provision of the Services ("Customers")

1. Binding Nature of the GT&Cs

- 1.1. These General Terms & Conditions for the provision of DICOMPASS Cloud services and other services ("GT&Cs") become effective on the date specified in the header and become binding for the Customer once the Customer accepts them tacitly or expressly. Among others, accepting an offer which refers to the GT&Cs, payment of an invoice that refers to the GT&Cs, or continuing to accept Services for more than one month after the Customer gets the chance to familiarize themselves with the text of the GT&Cs and raises no objections is considered to be the acceptance of the GT&Cs.
- 1.2. Unless otherwise agreed in writing, by accepting these GT&Cs, the Customer shall be deemed to make the representations and other actions set out in these GT&Cs. The Customer is familiar with DICOMPASS Cloud services.

2. Agreement and its Components

- 2.1. The Provider hereby undertakes to provide to the User the use of the application Dicompass Gateway in the cloud to the extent referred to in sub clause 2.2 of this Article, in the manner set forth below in this Agreement, and the User undertakes to pay the Provider the agreed price for the use thereof.
- 2.2. The Customer is authorized to use the **Dicompass Gateway** application within cloud services
- 2.3. The **Dicompass Gateway** application is a certified Class IIb medical device and may only be used in accordance with the purpose of use. Declarations of conformity and certificates are available at <https://dicompass.cz/dokumentace>
- 2.4. The Provider has prepared a server-side cloud operating environment for the User, then the Provider informed the User of this fact and created customer access to the application for the User.
- 2.5. The **Dicompass Cloud** service specification is given by purchasing through the <https://shop.dicompass.cloud> sales portal. Service support is provided from 8am until 4pm on workdays, next business day response time, support via email helpdesk@medoro.org unless otherwise stated in the service specification in the shopping portal.
- 2.6. If the agreed conditions do not prevent this, the Customer may order, change or cancel the Services during the contractual relationship. Orders, change requests and cancellations can be made in writing, by email or through the shopping portal <https://shop.dicompass.cloud>. Requirements confirmed by the Provider are considered Contractually Binding.
- 2.7. The User will be notified of such changes by e-mail sent to the e-mail address provided by the User no later than thirty (30) days prior to the entry into force of such change. The User is entitled to terminate the Agreement in connection with such a change, effective from the effective date of the change in question. The Provider will inform the User in its notification of the right of the User to terminate the Agreement. If the User terminates the Agreement before the change becomes effective, it shall be deemed to have accepted the change.

- 2.8. The user has access to the **mDEX exchange network**, which is used to exchange data between healthcare facilities. The terms of use are published at <https://www.mdex.cz>. The service is **free** for all Dicompass Cloud users. If a user does not wish to be part of this network and does not agree to be published in the user directory, he/she must notify helpdesk@medoro.org and will be immediately disconnected from the network.
- 2.9. The user can now access an integrated artificial intelligence service **Carebot**, which is used to evaluate chest and skeletal X-Rays. The service is free for all Dicompass Cloud users for a limited time from 4th of November to 31st of January 2025. If the customer wishes to disable this service, they are obliged to notify helpdesk@medoro.org and access to the service will be withdrawn. After the free trial period, the service can be ordered according to the terms and conditions of the relevant tariff.

3. Rights and Obligations of the Parties

- 3.1. While using the **Dicompass Cloud** service, the User is entitled to place in the cloud its data generated by application processing.
- 3.2. The Provider is obliged to make efforts to ensure that all of the User data located in the cloud is protected from loss, destruction or possible misuse.
- 3.3. The Provider is obliged to create conditions for secure communication of the User with the cloud of the Provider with sufficient proof of identity of the User.
- 3.4. The Provider is entitled, at the request of the User, to make such logged interventions to the data of the User located on the servers of the Provider which lead to the elimination of problematic conditions, or to review such data so that the User can be provided with an effective consultation.
- 3.5. If the situation allows, the Provider is obliged to notify the User in advance of a service outage.
- 3.6. The User is obliged to protect its access data from loss and misuse thereof by third parties.
- 3.7. The User is not authorized to further provide access to third parties to the cloud that it uses under this Agreement if the third parties are not in a contractual or employment relationship with the User.
- 3.8. By purchasing the Services, the User does not obtain from the Provider any license to the above application, but only the right to use its functional features in the cloud.
- 3.9. The User is obliged to keep its access data secret and, if they use the Cloud Connector on their PC, also the password to the key and the `~/cpcon/keystore` folder, and to contact the Provider immediately in case of any suspicion that the password or key has been compromised.
